is a 2D version of the legendary construction game Minecraft. Before starting the game, you can choose many different skins for your character and game modes. Survival mode requires skill and ingenuity - you must collect resources and food to stay alive and build a settlement for yourself to live in. As in most minecraft games, you will also encounter animals and different terrains such as forest, water, rocks and fields. Mine stone and wood to make tools and use these tools to mine more advanced materials to build buildings. In addition to the survival mode, you can also play the creative mode - this game mode allows you to use your imagination to make practically anything you can think of. For example, use various materials to build cities, castles and entire worlds. If you want, you can also load premade maps created by other players!
